Dear Jennifer

At the 28 September Assembly debate on the September Monitoring outcome, you asked for an update on the latest position with respect to the Executive's End of Year Flexibility (EYF) stock.

I can inform you that the remaining current expenditure EYF stock, excluding the Department of Justice (DOJ), now stands at £316.4 million. The remaining capital expenditure EYF stock, excluding DOJ, is now zero.

If the DOJ is included, the position becomes current EYF stock £428.4 million and capital EYF stock £72.8 million.

Yours sincerely
